

Expect Russian Surprise Before Security Council

Europeans Have Slight Faith In Future Peace

Paris—(AP)—The possibility that Russia might spring some surprise when the Berlin situation comes before the Security Council shared interest here tonight with what appeared to be general concern over an extremely grave world situation.

The franc was falling in its relation to the dollar, and war talk was believed to be the cause. The franc is rated officially as 314 to the dollar. Last week it sold in the free market at around 385. Monday, after the announcement that east-west negotiations over Berlin had been broken off, you could get 415 francs for a dollar. Today, 440.

Although expert observers still believe there can be no war this year and probably not even next year, the people are displaying little faith in the long range future of Europe. There is still no good reason to believe that the U.N. will not survive the tests to which it will be put in the next few weeks, but there is also no tendency to minimize the great strain.

In addition to Berlin, the western powers appear to be determined to thrust over the whole east-west conflict. There is a developing split over Palestine. The western powers have largely healed their own rift and support the Bernadotte proposal. Now the Russians are giving indications that they will attempt to stick by the outdated U.N. partition decision of last fall. If they fight the Bernadotte plan it will mean destruction of the last bridge of agreement at any point between Russia and the U.S.

Dewey Against Compromise Of Principles With Russ

Missoula, Mont., Sept. 28—(P)—Thomas E. Dewey said tonight the free nations are "laboring mightily against great odds" to win a peaceful settlement of the Berlin crisis.

But he served blunt notice there will be no compromise of principles in the dispute with Russia.

In the prepared text of a campaign address for delivery here at 10:30 p.m., central standard time, the Republican presidential nominee declared:

"Tonight a dark cloud hangs over the future of every one of us. A ruthless aggression that has mankind's enslavement as its goal is abroad in the world."

"In Berlin, where we have every right to be, we are confronting that aggressive power, face to face."

"In Paris, at the meeting of the United Nations, our representatives, standing shoulder to shoulder with the representatives of other free nations, are laboring mightily against great odds to bring about a peaceful settlement even at this late hour."

"As a united people, we stand shoulder to shoulder with them."

"We will not compromise our principles."

"There is no peace in that and we will not endanger our freedom."

"Sudden Impulse"

Prompts Chicago Man To Shoot Wife

Chicago, Sept. 28—(P)—Mark Provo, 24, who told a coroner's jury "a sudden impulse" prompted him to fire the shot which killed his wife, today was charged by police with murder.

Provo and Miss Rose Roberti, 39, testified at the inquest that they were in love with each other but had not planned to marry.

The attractive Miss Roberti, who works with Provo in a West Adams street tailoring house, declared, "If he shot his wife it was an accident. I have always found him kind, considerate and gentle."

Provo, too, insisted the pistol shooting Saturday night in the Provo's two room apartment at 4349 Ellis avenue was accidental. He said: "I took the gun from a dresser drawer. I went to the living room where my wife was sitting at a window. I sat across from her and we talked for a while. I aimed at the window and fired. I did not aim at her."

Provo's wife, Norma, 24, was the mother of his two children, Mark, Jr., four, and Frederick, two. Police Capt. Matthew Murphy has said a lie detector test showed Provo was telling the truth in claiming the shooting was accidental.

Grand Army Of The Republic To Elect Commander

Grand Rapids, Mich., Sept. 28—(P)—Its ranks dwindled by death through the years, the Grand Army of the Republic elects a commander in chief tomorrow in what can't be more than a six-way race.

That's all the aged union veterans there are here for the GAR's 82nd encampment.

But the only one of the six under 100 years old appears in line for the post now held by Robert M. Rownd of Ripley, N. Y. He is senior vice commander Theodore A. Penland of Portland, Ore., a mere 95.

Another decision to be made is if and where the next encampment will be held. One or two of the delegates seem to favor discontinuance of further get-togethers after this year but most of the sentiment was for at least one more.

Aeronautics Board Opens Inquiry

Washington, Sept. 28—(P)—In an unprecedented action, the Civil Aeronautics Board today ordered an inquiry that could result in putting National Airlines, Inc., out of business.

The inquiry, the board said, is to determine "whether it is in the public interest" to shift National's route and equipment to other carriers.

The action conceivably could be the forerunner of others to reduce the number of trunk line carriers. Most of them have been operating in the red.

Consider Query Of Spy Prober's Office Methods

Washington, Sept. 28—(P)—A request for an investigation of the way Rep. J. Parnell Thomas (R-N.J.) has conducted his office has been "taken under advisement" by the department of justice.

Thomas is chairman of the House committee on un-American activities.

"I refuse to be intimidated," Thomas said when advised of the development. He had nothing else to say.

Seventeen New Jersey lawyers petitioned the department for such an investigation on Sept. 23, assistant attorney general Alex M. Campbell disclosed today. He said the matter has been taken "under advisement."

Clipped to the lawyers' petition was a sheet of newspaper columns by Drew Pearson dealing with the handling of the payroll in Thomas' office. The attorneys said they were "deeply concerned" over Pearson's charges and asked the justice department to determine if any federal laws had been violated in connection with Thomas' personnel.

Only yesterday Thomas' committee issued a preliminary report on its investigation of atomic espionage. The report said that the justice department's failure to prosecute alleged atomic spies was "intendable."

Earlier today, Thomas had disclosed that the espionage investigation will move to Milwaukee, with hearings Friday and Saturday in charge of Rep. Vall (R-Ill.).

Three committee investigators went there today to follow up on one phase of the inquiry. The witnesses were not announced in advance.

Green Declares University Needs Building Program

Champaign, Ill., Sept. 28—(P)—The University of Illinois needs increased facilities on its Champaign-Urbana and Chicago campuses and must have continued substantial aid in its building program, Governor Green declared tonight.

The Republican governor, campaigning for reelection, said in prepared remarks:

"There exists a tremendous demand for medical training and for medical service which the university must help to meet here in our state. The task involves the building of new laboratories, classrooms and provisions for additional clinical facilities."

"Careful studies and planning to meet these needs are in progress now for presentation to the General Assembly."

Green said the natural growth of the university here will continue from the present level. More than 18,000 students are in full time residence here where the normal capacity is about 14,000.

"Buildings now under construction will offer some relief, but it will be several years before the university can operate on a non-emergency basis," the governor said.

'Satira' Schmidt May Be Pardoned Of Murder Count

Havana, Sept. 28—(P)—The way was cleared for the expected pardon of Patricia "Satira" Schmidt now serving a 15-year term for homicide.

Her attorney, Carlos Menéndez, removed the last legal obstacle by withdrawing his appeal to the supreme court against the sentence imposed on the Toledo, Ohio, dancer by the Havana criminal court.

A pardon could not be granted while the decision on an appeal was pending.

Patricia was convicted of firing the shot which caused the death of Jack Lester Mee, Chicago attorney and former Navy officer.

Menéndez's step indicates he has already received assurances that the pardon will be granted. Otherwise, it is considered unlikely he would have thrown away all chance of obtaining a reduction or possibly a reversal of the sentence.

U. N. MEDIATOR BLAMES ARABS FOR AMBUSH OF CONVOY AT LATRAN

Paris, Sept. 28—(P)—The staff of the acting United Nations mediator in Palestine today blamed Arabs for killing four Jews in Latran, Palestine, Sept. 22.

A telegram from the staff of Dr. Ralph Bunche was made public here. It said a "decision of the mediator's chief of staff today declared that the Latran massacre of Sept. 22, when four occupants of a Jewish convoy were killed, constitutes a most serious breach of the truce and that charge must be made against the Arab forces of Trans-Jordan."

TRUMAN CHANGE SPRINGFIELD SPEAKING DATE

Springfield, Ill., Sept. 28—(P)—President Truman will speak in Springfield Oct. 12 instead of Oct. 16 as previously planned, Paul Powell, Democratic downstate organization director, announced today. The president will visit the state capital on a tour of the Midwest.

Western Powers Complain Of Soviet Spy System

U.S. Duns Russia For Lend Lease

Washington, Sept. 28—(AP)—The United States has called upon Russia in a new note to resume negotiations for settling its long overdue lend-lease account of \$11,000,000, 000.

Officials disclosed tonight that the state department had sent the note about two weeks ago to Ambassador Alexander S. Panyushkin.

The department kept all news of the action secret, they said, for fear of upsetting the delicate discussions with Russian officials on the Berlin blockade.

U.S. Soft-Pedaled Russ

Top American officials felt Moscow might mistake a public announcement of the lend-lease note as an American maneuver to embarrass the Russians at a critical stage in diplomatic negotiations.

Now that these talks with Moscow have collapsed, these officials revealed that the State Department has:

1. Expressed willingness to talk over the latest Soviet counter proposal on lend-lease as a means of hastening agreement.

2. Suggested the two sides get together for their first face-to-face meeting on the subject since last March when negotiations were suspended.

Ambassador Panyushkin has not replied, presumably because he is awaiting new instructions from Moscow.

Report Very Little Progress

The lend-lease discussions with the Russians began 17 months ago and have continued sporadically since with very little progress.

Russia is the only country that got sizeable quantities of lend-lease but has balked at settling its wartime account. Great Britain and France closed their accounts two years ago.

In general, the United States has asked the Soviet Union, as it has other countries, to pay a "reasonable value" for the civilian type lend-lease goods in its possession as of V-J Day, Sept. 2, 1945. This in most cases has averaged less than 10 percent of the total sent under lend-lease.

No payment was requested of Russia or any other lend-lease nation for the strictly war materials used in the common war effort against Germany and Japan.

U. N. Mediator Accuses Jews In Bernadotte Murder

Lake Success, Sept. 28—(P)—Dr. Ralph Bunche, acting United Nations mediator in Palestine, accused Jewish authorities of negligence today in connection with the assassination of Count Folke Bernadotte.

Bunche drew up a report for the security council on the killing in Jerusalem, Sept. 17. The report was sent to Paris and to Lake Success from Rhodes.

Bunche said he could not help but conclude the Jewish authorities in Jerusalem had not taken adequate security precautions with regard to Bernadotte's safety.

His report declared Jewish terrorist groups enjoyed freedom of movement and little control up to the Sept. 20 ordinance of Israeli authorities outlawing such groups.

Bunche then appealed to the security council to take urgent measures to see that "criminal bands" are controlled in Palestine.

U. Of I. Students Gain Credit For Fishing, Boating

Chicago, Sept. 28—(P)—Fifty-five sophomores are fishing for college credit at the University of Illinois and getting it.

They rowed and paddled about Lake Michigan off Navy Pier today, reeling their lines in and out.

No one caught any fish. In fact, no one had any bait.

READ THE FINAL REPORT BEFORE VOTING ON OCT. 9

In less than a month the citizens of Morgan county will be privileged to vote in two important elections. The proposal to establish a single unit school district will be approved or defeated on Saturday, Oct. 9. The national election comes on Tuesday, Nov. 2.

It will be interesting to observe the number of voters in each election. It would be safe to predict that many more citizens will cast a ballot on Nov. 2. But it wouldn't take a too gifted debater to argue that the Oct. 9 election is at least equally important to the people of Morgan county.

Recent school consolidations appear to be welcome improvements over the former small district system. Requirements for state aid have been getting higher each year. They are sure to go still higher.

The final report of the Morgan County School Survey committee is available to everyone. This group, formed of eminent citizens from all sections of the county, has explored our educational system for nearly three years. A review of the Journal Courier files reveals the members have attended countless public meetings in an attempt to learn the educational needs of the county. And how those conditions might be improved for the benefit of the children of this area.

In their final report they ask for a single unit for Morgan county. They give the reasons for their decision.

There should be a good turnout on Oct. 9. In common courtesy and fairness to the men and the one woman who have worked so well on the educational problems of this county, no voter should go to the polls on Oct. 9 until he has studied the final report.

REVISING POLITICAL TIMETABLE MIGHT BE A GOOD IDEA, TOO

Ex-President Hoover is now heading a commission which is looking for ways to improve efficiency in the executive branch of the government. Perhaps it would be well if the two major political parties would get together and cook up a side dish which might help to accomplish the same admirable purpose—and increase the efficiency of the legislative branch as well.

We're thinking about presidential campaigns. The conventions are held in late June or early July. There's no particular reason for this, except that somebody sometime started holding them then. Maybe it was because, in the early, agricultural days of our history, this was a reasonably slack time on the farm.

At any rate, the parties cling to the tradition. And once the candidates are chosen, Congress gets restless and wants to head for home to see about the members' own campaigns and help out with the national ticket. So, except for dire emergency or something like Mr. Truman's special session, the legislative machinery shuts down for about six months.

The candidates, meanwhile, are also immersed in politics. In 10 of the 13 campaigns of the 20th century, one of the candidates has been president. Much of a president-candidate's time and thought is taken up during four months of an election year with the problems of getting re-elected.

It is up to the candidate and his board of strategy to determine the length and intensity of the campaign. This year's search for votes promises to be both long and intensive. Mr. Truman and Mr. Dewey, who also has an important executive job, will be on the road a lot in the six weeks preceding election day. It seems safe to say that unless some matters of extreme urgency come up, political stumping will be their major concern until Nov. 2.

The question is whether it is either good or necessary to have such a long campaign. Perhaps it didn't matter back in the leisurely days of Benjamin Harrison's, or even Cal Coolidge's, administration. But unless world affairs quiet down remarkably in the years ahead, and unless a great deal more of a president's responsibilities and duties are delegated than at present, it might seem safer and more efficient to shorten the hand-shaking and baby-kissing season.

It might be hard to change this tradition of midsummer conventions. Quite naturally a candidate and his advisers are not going to pass up any chances. And if there is a likelihood that a long haul, a lot of speeches, and even more back-platform greetings will decide the undecided and change the minds of the convinced, they might balk at altering the pattern.

But the fact remains that long presidential campaigns usually generate more heat than light. They exaggerate antagonisms and promote disunity. In times of international crisis such as now, they distract public and governmental attention. Charges and counter-charges pile up in damaging profusion.

Since American unity is becoming increasingly important, and since the presidency of the United States, as the world's most important job, deserves a comparable attention; we think the Democratic and Republican high command would be doing the country a service if they agreed to limit presidential campaigning to, say, two months—beginning in 1952.

Winchester Couple Back Home From 2,681 Mile Trip

Mr. and Mrs. Ernest D. Lewis of Winchester route 3, have returned home from a 2,681 mile vacation trip to Colorado.

They visited the Friends of the Land field day at the farm of Mr. and Mrs. Jack West, seven miles north of Fulton, Mo., which was sponsored by Radio Station KMOX, the Fulton Chamber of Commerce, the St. Louis Chamber of Commerce, and the Kingdom of Calloway Chapter, Friends of the Land. The field day comprised a demonstration of practical, economical soil conservation and home making measures, and was attended by several thousand people.

Places of interest visited were Cheyenne, Wyo., Big Thompson Canyon, Estes Park, the Denver park system, including Mt. Evans, the highest auto road in North America, Colorado Springs, and the Royal Gorge at Canon City.

Marian Bertram Becomes Bride Of Warren R. Scott

White Hall—Miss Marian Bertram, daughter of Richard Bertram, became the bride of Warren R. Scott, son of Ray T. Scott, all of White Hall, Wednesday, September 22. The Rev. A. F. Lydon performed the double ring ceremony in the St. Athanasius church in Roodhouse in the presence of relatives and friends.

Mrs. Broch played the traditional wedding marches and was accompanied for Mrs. Bob McCaherty, soloist.

The bride, given in marriage by her father, wore a gown of white satin brocade taffeta, fashioned with fitted bodice, sweetheart neckline, long pointed sleeves and full skirt ending in a train. Her fingertip veil, edged with illusion lace, fell from a tiara of seed pearls. She carried a Danish handkerchief belonging to her aunt, and a colonial bouquet of white button poms surrounded with chrysanthemums.

John Kite, of Olney, a cousin of the bride, served as bridesmaid and Charles Plahn, of Roodhouse, a cousin of the groom, was best man. Linda and Karen Bushnell were flower girls and Jerry Plahn was ring bearer.

A reception was held at the bride's home, where serving was in charge of Miss Mary Ellen Pennell, Mrs. Frank Plahn, Mrs. Roscoe Keeney and Mrs. Muri Bushnell. Miss Mary Hubbard registered the guests.

The couple left for a wedding trip and will make their home in White Hall when they return.

The bride is a graduate of White Hall high school with the class of 1948 and is employed by her father at the White Hall dairy.

Mr. Scott is a graduate of White Hall high school with the class of 1943 and an army veteran of World War II. He operates a filling station on South Main street.

Fred B. Oxtoby Joins Technical Institute Staff

Fred B. Oxtoby, formerly of Jacksonville, has been appointed head cataloger and classifier in the library at the Illinois Institute of Technology in Chicago. It was announced Tuesday by William H. Hyde, librarian.

Mr. Oxtoby is the son of the late Dr. F. B. Oxtoby, who for a number of years was a member of the Illinois College faculty. He obtained a bachelor's degree and a master's degree in library science in 1940 and 1947, respectively, at the University of Illinois.

For the past two years Mr. Oxtoby has been cataloger at the University of Illinois library. His home address is 970 North Church street, Rockford.

Activities Planned By Scout Troops

White Hall—Girl Scouts of this city began their second year of work at the Presbyterian church where Troop 3 Intermediates met. This troop will meet hereafter each Wednesday at 4:15 at the Presbyterian church. Brownie troops 1 and 2 met at the Presbyterian church for their opening program.

There are vacancies in each of these three troops. Girls who are interested in joining may contact either Mrs. Arthur Kowitz or Mrs. Cecil Fay, leaders.

Assisting with the work this year are Mrs. George Cummings, Mrs. Albert Conrod, Mrs. Austin Wiley and Mrs. Theodore Westledge.

All registered Girl Scouts carry identification cards. The public is asked to cooperate with Scout officials by asking any solicitor of funds to show her official registration card.

Return By Plane From California

Mrs. S. E. Ogborn and daughter Zenna of Jacksonville route 6 have returned from a month's vacation in Sacramento, Calif., where they visited Mr. and Mrs. Wayne Cunningham and daughter Naomi, and Mr. and Mrs. O. B. Richter. Mrs. Ogborn and Richter are brother and sister.

They also visited Mrs. Celia Read and family at Oakland, Calif. Mrs. Ogborn and daughter made the return trip by plane.

Questions And Answers ON THE OCT. 9 SCHOOL ELECTION

The County School Survey committee has submitted a series of questions and answers to the Journal Courier in the hope that these may stir up interest and clarify issues in the forthcoming school election on Saturday, Oct. 9. The committee invites further questions from interested citizens which some member will attempt to answer. Questions should be addressed to the Survey Committee in care of the Journal Courier.

1. Wasn't some such proposal as this submitted to the voters last spring?

No. This is the election to consider an over-all plan for school reorganization. The proposal rejected last spring involved only a part of the territory included in this plan. The Survey committee did not sponsor the election last spring.

2. Why does the Survey Committee favor this plan?

Because the Survey Committee considers this the best plan of school reorganization for all the children of this area.

1. Will all the children in the unit district proposed by the Survey Committee be transported to Jacksonville to school?

Absolutely not. Schools will be maintained throughout the district where the school population warrants. The Jacksonville grade schools are full. The Jacksonville high school serves a large non-high area now and would be unable to care for all the high school pupils of the new district. There will be attendance units where they are needed.

2. What is an attendance unit?

It is that part of a district (unit in this case) which is served by one school.

3. How many attendance units, or in other words, schools may there be in a unit district?

There may be as many as are required to serve the needs of the children. The board of education, elected by the people, would settle that matter.

4. Where would attendance units (schools) be located?

This would be determined by the board of the new district which would be elected by the people and should have a competent superintendent to advise it. The Survey committee has recommended no specific attendance units though it has suggested the use of existing buildings.

Greene County Indicts Several; One Sentenced

Carrollton—The grand jury which convened Friday morning found seven true bills in the cases which were brought before it.

Allen T. Carver, indicted on two counts of forgery, pleaded guilty on both counts and was sentenced to the state penitentiary for a period of not less than five nor more than seven years, the sentences to run concurrently.

The case against Carver grew out of the passing to two checks for \$10 each signed by L. E. Wilson and Son. One was given to Hatcher's Cafe and the other to James Tilley.

Ernest Morgan and Billy T. Baze were indicted by the grand jury and their bail was fixed in the amount of \$2,000. The two are accused of the forgery of the Ernest Patton service station and of the theft of the 1947 Chevrolet car belonging to Lloyd Seely of White Hall.

Lyndell Buchanan was indicted on an embezzlement charge and his bail is \$1,500. The case against him concerns the use of a wrist watch from the Hopkins Jewelry store in Roodhouse when the property had been delivered under a conditional sales contract.

The case against Carl Young, who was also indicted, was continued on two counts to October first.

Doris Slack Weds Junior Bequeath

White Hall—Announcement has been made of the marriage of Miss Doris Slack, daughter of Mr. and Mrs. Fred M. Slack of southwest of White Hall, and Junior Bequeath, son of Mr. and Mrs. G. C. Bequeath, of north of White Hall. The Rev. Albert Monroe performed the single ring ceremony in his home in White Hall.

The couple was attended by Mrs. Fred Slack, mother of the bride, and Mrs. G. C. Bequeath, mother of the groom.

The bride was attired in a blue street length dress with black accessories. She attended the East St. Louis schools.

The groom attended the Walker-ville grade school and was graduated from the White Hall high school with the class of 1944.

They are residing with the groom's parents.

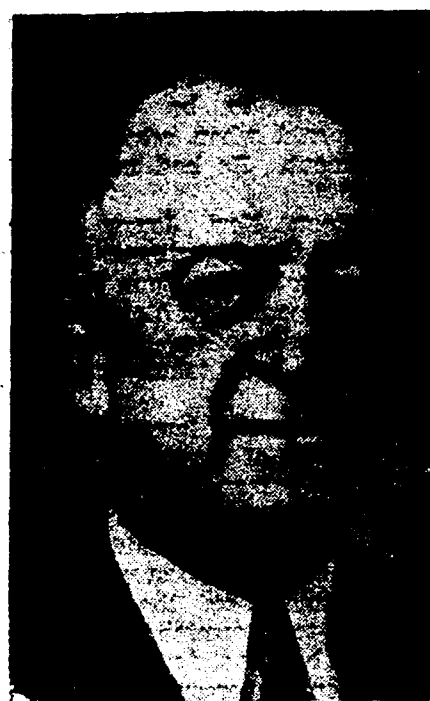

GIRL SCOUTS COOK FOR BADGES ON TRIP TO PARK
Mrs. Paul Schildman, leader, and Mrs. William Giegerich, assistant leader, accompanied Girl Scout Troop 37 to Nichols Park, Saturday, Sept. 25, for an outing to start off the year's program for the troop. The girls worked as a group on the outdoor cook badge requirements.

Scouts present were Betty Black, Connie McCormick, Judy Godfrey, Mary Godfrey, Vickie Crabtree, Nancy Jo Riggs, Carol Taysman, Mona Walker, Donna Morris.

Four new members were taken in to the Troop. These are Carol Giegerich, Nancy Godfrey, Shirley Bourn, and Mary Lou Walker. Guests were Jimmie Giegerich, and Johnny Godfrey.

After the Clean-up, there was a short discussion of selling Christmas cards. The members are planning a troop birthday party for October.

At Institute

Ray Graham will speak Friday, Oct. 1, at a gathering of elementary teachers at the Morgan County Teachers' Institute, to be held at the Jacksonville high school auditorium. His address will be "Every Child an Exceptional Child—Every Teacher a Special Teacher."

In May, 1943, Mr. Graham was appointed to the staff of Superintendent Vernon L. Nickell, of the State Department of Public Instruction, in which he has served as director of special education of exceptional children.

Coming to this position with a background of 22 years of experience in the elementary and high schools of Illinois, Mr. Graham has served at Viola, Easton, Mason City, and as principal of the Hay-Edwards school in Springfield. He is a native of Illinois, born in DeKalb county. He received his A.B. degree from Monmouth College, his A.M. degree from the University of Illinois, and has done graduate work at the University of Southern California.

He is at present serving as President of the International Council of Exceptional Children.

Lewis R. Robson Of Waverly Weds Springfield Girl

Miss Beulah Ledoris Huisinga of Springfield, daughter of Mr. and Mrs. Bert W. Huisinga of Cisco, and Lewis Richard Robson, son of Mr. and Mrs. Morris Robson, of Waverly, were married at 2:30 p. m. Sunday in the Methodist church at Deland. The double ring ceremony was performed by Rev. Harold Brown.

The attendants were Mrs. Joe Huisinga, Deland, matron of honor; Miss Frances Hewitt, Springfield, bridesmaid; Hilma Huisinga and Barbara Huisinga, cousins of the bride, flower girls; Raymond Huisinga, cousin of the bride, ring bearer; Lawrence Robson, Jacksonville, cousin of the bridegroom, best man; Cecil Robson, Springfield, groomsmen, and Joe Huisinga, Deland, and Kenneth Robson, Jacksonville, ushers.

The bride, given in marriage by her father, wore a gown of white slipper satin, entrain. Her full length veil fell from a headdress of pearlized orange blossoms and she carried a white prayer book topped with two white orchids. Her single strand of pearls was a gift of the bridegroom. Miss Marjorie Reeves, of Cisco, sang a group of songs accompanied

The Loves of Carmen

By SOPHIE KERR

THE STORY: Don Jose, young officer in a fashionable Spanish regiment, has just come to Seville from the countryside of Navarre. He is given 48 hours leave to familiarize himself with the city. Lying on a street corner, trying to make up his mind where to go next, he is startled by a piece of orange peel flung at his feet. He looks up, seated on a wall above him is an extraordinarily dressed young woman of striking beauty.

The girl looked down at him from her perch, her glittering eyes wide and intent over the orange she held to her mouth. With her eyes fixed on him, she slowly sucked the juice from the orange, squeezing it gently with her hand.

Don Jose looked up at her as though blinded by the sun—as though the thousand lights from her copper-colored hair and flashing teeth had caught him and were hypnotizing him.

The girl removed the orange from her mouth, ran her pink tongue over her lips, closed her eyes, opened her mouth slightly and sighed with real ecstasy.

"Ah, there is nothing so good in the mouth as an orange warmed by the Spanish sun," she stretched her body in the hot sun as she leaned over toward him, smiling invitingly into his eyes. "Hah?" she asked.

He just looked at her, dazed. She kept her eyes on his eyes and slowly put the orange to her mouth again. Then she straightened up, alert and astonished, for in the silence a little chiming bell had sounded from somewhere in Don Jose's clothes.

She said with surprised delight, "Well! Not only is he beautiful but music comes out of him."

Don Jose looked confused for a minute, then embarrassed. Hastily he pulled a big gold watch from his pocket and showed it to her.

"It is just a watch," he had to clear his throat to continue. "It chimes the hours."

Her eyes widened at the watch's magnificence. Then she looked back at him sadly. "Oh, too bad. For a minute I thought you were a magician."

Don Jose became awkwardly apologetic, "No, it was just the watch."

"Too bad."

Her tone was absent because her eyes were sharply following the watch as he stumbingly replaced it in his pocket. Then her eyes went from his watch, speculatively to his face.

"Perhaps we can be friends, anyway," she extended the partly eaten orange toward him. "Would you like a bite of my orange, soldier?"

HE reached for it almost hypnotized, but she drew her hand back slowly, just keeping it from his reach.

"On second thought, perhaps it wouldn't be correct," she tore a piece of rind from it with her teeth, spat it out with an emphasis that spat him out with it, and then flatly, as though the whole incident were closed, said, "After all, I don't know who you are."

Don Jose bowed a little, awkwardly shy, and hastened to make up for this breach of etiquette.

"I am Don Jose, just arrived in Seville, senorita."

"Senorita! Me?" She threw her head back and laughed with a strident shout. Then she looked at him, her eyes brimming with amusement.

"You have just arrived in Seville. Where did you come from?"

"From Navarre."

As though this explained everything, she said, "Oh! A Navarre." She leaned over as though imparting a mocking secret. "I have heard that the men from Navarre wear little blue berets and tell big black lies and don't know how to make love to a woman."

He flushed.

"I have always wanted to find out for myself whether that is just gossip or—"

"Oh! A Navarre," taunted the girl. "I have heard that the men from Navarre wear little blue berets and tell big black lies and don't know how to make love to a woman."

Her mood broke abruptly and she looked away, her attention drawn by a new kind of music coming from down the street—a twangy guitar, sharply discordant against the other music. Don Jose took his eyes away from her with difficulty and tried to look in the same direction.

DOWN the street came a little wedding procession. The bride and groom were dressed in wedding finery and were extremely self-conscious in this stiff attire. A small group of pride-stricken family and noisy friends followed them—parents, children, brothers, sisters, cousins.

The guitarist walked sideways beside the bride and groom, playing to them. A slovenly woman came out of the doorway near Don Jose. She held a broom and a toddling, dirty child clung to her skirts. Her attention, too, had been drawn by the sound of the guitar and she watched the procession approach.

The red-haired girl watched with a peculiar look of scorn and disgust on her face. When she spoke her voice was harsh again.

"Ha! Look at them! They paid out their last peseta to get rid of her. But it was worth it." She made no effort to keep her voice down. "She'll hate him, but she'll cling to him like a leech. And that fine bridegroom—in a week he'll be beating her!"

The woman with the broom turned on her in anger.

"Shut up, you! You talk that way because nobody would marry a gypsy like you!"

The gypsy's voice was soft with fury.

"No? I could marry any man in Seville if I wanted to, old woman, but I would rather be dead than be the stale wife of a spiritless Spaniard!"

As she talked, the wedding procession passed in front of them; the groom had become aware of the gypsy girl and was desperately trying to keep his eyes straight ahead and away from her. She grinned wickedly.

"Ha! Manuelito! Remember me, you stupid pig? I told you she'd catch you, and so she did!"

THE small dignity of the wedding procession dissolved. The music went sour. The bride and the groom halted and wheeled.

Water Plant Can Filter 5,000,000 Gallons Each Day

"The new settling basin at the filtration plant looks like Lake Ontario," Alderman Chumley of the water and light committee told members of the city council Monday night.

"You can see down 14 feet in the water, which is crystal clear," he continued. "It would be worth the time of the public if citizens would drive out to the water plant and take a look at the improvements which have been made during the last six months."

Alderman Chumley said that extensions of the water plant now nearing completion will bring its capacity up to 5,000,000 gallons per day "which ought to carry us along until 1960."

The council received a communication from Boy Scout officials inviting the members to a joint meeting of the Scouts and Lions club Sept. 29, at Lake Jacksonville. The session at which the adult Scouters and boys will mingle will get under way at 6:30 o'clock.

12 Leading Doctors Complete Study of Rheumatism, Arthritis

In a 48 page booklet, a committee of 12 of the nation's leading doctors have issued a complete report of their study of rheumatism and arthritis, covering a period of many months of medical research. From their findings a formula for the quick relief of rheumatic pain was developed by a well-known pharmacist. This formula, called Ru-Tel was first tested by physicians, hospitals and clinics and has achieved remarkable results in relieving the pain of rheumatism, arthritis and neuritis. They found that Ru-Tel Tablets are pleasant to take, do not upset the stomach—in most cases give quick, soothing relief, sometimes overnight. Now, these Ru-Tel Tablets are available, without prescription through all drug stores. First, be sure you must help or your money refunded. Ru-Tel Drug Co., Warza's Drugs and drug stores everywhere.

**14 Year Old Boy
Admits Burglary,
Theft Of Auto**

A 14 year old boy admitted to police officers Monday night that he participated in the burglary of the Shell filling station at West State and Prairie streets, on the night of Sept. 18. He also confessed to helping steal an automobile from the service station driveway, which later was wrecked at Pittsfield.
The youthful prisoner, Russell Kinney, residing on East Douglas avenue, named another Jacksonville boy as his companion. The second boy has not been apprehended.
Kinney, in the presence of Chief Frank Kiloran, Capt. Ike Flynn and Patrolman Francis Willner, talked freely of his escapades which began with the filling station burglary. He said he and his companion obtained \$73 in cash.
They then took the automobile, according to the boy's admission which was taken in writing, and drove to Louisiana, Mo., and Quincy, after which they swung back to Pittsfield.
The boy, recounted that the car skidded at Pittsfield, crashing into a fence. He said he and his companion abandoned the damaged machine, after which they walked several miles. Hitchhiking a ride on a truck they journeyed to Hannibal, Mo., from where they boarded a freight train to Galesburg. During succeeding days they visited Decatur and Springfield.
Kinney was picked up Monday evening by police who have been watching for him for some time. The identity of the other boy also was previously known to officers, Chief Kiloran said.
The case against the youth will be taken up in juvenile court.

when Edna Kellner, daughter of Mr. and Mrs. Elmer Kellner of Herman, became the bride of Gerald S. Moore, son of Mrs. Laura Moore, formerly of Jacksonville, who is now residing in St. Louis.

Miss Kellner was attended by her sisters, Dorothy Kellner, acting as maid of honor, and Dolores and Norma Kellner serving as bridesmaids. Don Driscoll, best man, and Bob Brauch, groomsmen, were both close friends of the groom.

The bride wore the traditional wedding gown of white satin, featuring a fitted bodice, long sleeves, tapering to points at the wrists, and a flowing train edged in lace. The blusher veil of sheer illusion, also edged in lace, was held in place with a pique bonnet. She carried a bouquet of white chrysanthemums.

The maid of honor wore a blue crepe gown and carried a bouquet of yellow chrysanthemums. The bridesmaids were dressed in similar gowns of yellow and orchid taffeta. Their bouquets were of lavender asters.

For her daughter's wedding, Mrs. Kellner chose a black and white silk dress with matching accessories. The groom's mother wore a black crepe dress with matching accessories. Both mothers wore corsages of white carnations.

A reception at the home of the bride's parents immediately followed the ceremony. The serving table, banked with beautiful flowers, was centered with a three-tiered wedding cake.

After returning from their wedding trip the couple will be at home at 1381 Belt avenue, St. Louis.

Give Shower At Chapin Honoring Mrs. Allen Six

Chapin—Mrs. Luther Brockhouse and Miss Maud White entertained at a miscellaneous shower for Mrs. Allen Six, a recent bride, at the home of the former recently. A color scheme of pink and yellow was used. The gifts were placed under a pink and yellow umbrella on a table. Concessions were enjoyed and refreshments were served.

Those present were Mrs. Lafayette Six of Bluffs, Mrs. Claude Six, Mrs. Walter Bobbitt, Mrs. Gertrude Goffinett, Mrs. Junior Goffinett, Mrs. Earl White, Mrs. Oren Hynes, Mrs. C. O. Brockhouse, Mrs. Wayne Brockhouse, Mrs. Ioyd Hynes, Mrs. Chester Griffin, Misses Barbara and Betty White, Mrs. Allen Six, guest of honor and the hostesses.

Indians Wallop Sox; Hold Two-Game Lead

Cleveland, Sept. 28.—(P)—Backing Gene Bearden's shutout pitching with a 13-hit attack, the Cleveland Indians walloped the Chicago White Sox, 11 to 0 tonight, to open up a two-game lead over Boston and New York in the American League pennant race.

The victory, Cleveland's third straight and 17th in their last 20 games, gave the tribe a stranglehold on the flag, since each of the three contenders has only four games remaining. The Red Sox and place, set the stage for the Indians' Yankees, deadlocked for losing almost insurmountable lead by losing their afternoon games.

A three-run first inning off lefty Bill Wright ignited by leadoff batter Dale Mitchell's 308-foot home run into the right field stands, sent the Indians off to a flying start. They picked up an unearned run in the second, a legitimate tally in the fourth, then burst the game wide open in the fifth with a six-run assault that chased Wright to the showers.

Allie Clark, who like Bearden came to the Indians from the Yankees, led the tribe's attack on three Chicago pitchers with a home run and three singles in five trips to the plate. Clark drove in three runs and scored three times.

Athletics Blast Raschi
Philadelphia, Sept. 28.—(P)—The Philadelphia Athletics couldn't do a thing with Vic Raschi all year but Tuesday, with the New York Yankees in urgent need of a victory, the A's turned on their tormentor to elicit out a 5-2 triumph.

Raschi had beaten the A's five times this season and had an eight-game streak over them. This afternoon he was no match for 21-year-old Carl Scheib. The young Philadelphia right-hander gave up 11 hits but he was superb in the pinches, blanking them until the ninth.

The Yanks had a chance in nearly every frame but Scheib silenced the New Yorkers' bats each time—except in the ninth. Here a single, walk and a pinch-hit double accounted for the only runs off the Gratz, Pa., flinger who stranded nine on the bases.

Raschi turned out to be an easy target. He lasted only two innings, bowing to reliever Joe Page with none out in the third.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 28.—(P)—Values on hogs slipped 50 cents to \$1.00 a hundred pounds today and still left around 1,000 head unsold at the close. Cattle were generally steady to weak although vealers continued firm. Sheep were strong to \$1.00 higher.

Most good and choice butcher hogs sold from \$25.00 to \$29.00 and a top of \$29.25 paid sparingly. Sows fetched \$23.00 to \$27.50 and a few up to \$27.75.

Choice to prime steers remained at \$41.00, most good and choice kinds taking \$30.00 to \$38.00. High-choice heifers brought up to \$38.00, most good and choice meriting \$27.50 to \$35.00. Sausage bulls topped at \$23.00 and vealers at \$33.00. Stockers and feeders were slow and showed a net decline for the first two days of the week of 50 cents to \$1.00. Choice steer calves brought \$23.50.

Spring lambs sold from \$25.75 to \$26.00, the day's top, for both native and western types if grading good and choice. A few good and choice ewes made \$11.00.

Total receipts included 11,500 hogs, 4,700 cattle, 700 calves, and 5,000 sheep.

New York Stock Market

New York, Sept. 28.—(P)—Strength in rails and oils boosted the stock market a little higher today in a gentle rebound from yesterday's sharp break. The volume was around 1,000,000 shares.

Steels and most other groups, with the exception of utilities, followed along. Leaders gained from 1 to 2 points, but the majority were fractions to around a point higher in late trading.

The market opened with a rush that developed into a mixed affair with rails and oils heading upward but others in a mixed and narrow range. Within a short time the whole market inclined up.

Utilities were an exception. They added small fractions for the most part and maintained a steady tone.

COMMISSION HOUSE, COMMERCIAL BUYING BOOST GRAIN PRICES
Chicago, Sept. 28.—(P)—Commercial and commission house buying boosted grain futures prices today. Corn was up more than 3 cents a bushel and wheat about 2 cents at times.

Reports of export business boosted corn prices. Another factor was reports that the government loan rate may be about \$1.45 on farms, or about 157 Chicago basis.

There was mill buying in wheat. News of sales of Canadian wheat to India and South America also encouraged buying.

Receipts were: Wheat 34 cars, corn 139, oats 23 and soybeans 25. Wheat closed 1 to 2 cents higher than the previous finish, December \$2.25, 3 corn was up 2 1/2 to 3 1/2 cents, December \$1.39-39 1/2, oats were 1/2 higher, December 73 1/2, and soybeans were 1/2 to 1/2 higher, December \$2.40-41.

Dodgers Beat Champs In 13 Inning Battle

Sauksee-Railroader Clash To Feature Valley Schedule

White Hall — (Special) — Roadhouse's combat at Pittsfield Friday night is being picked by many fans as a game promising to be one of the most interesting in the history of the Illinois Valley conference.

Competition between the two outfits has filled loop history books with interesting tid-bits. Back in 1928, the first year of Ivy competition, Owens took the lead for several fine gains against the heavier Marquette line. Gustine, at quarterback, played heads-up ball and recovered a fumble for the Tigers.

Scott, Garner, Hutton, Landreth, Ransom and Benner of Roadhouse—Scott passed the three touchdowns passes in the final quarter to help defeat White Hall while Benner caught one of the passes and raced the remaining distance to score. Ransom made several nice gains around the ends while Garner did a lot of good running for needed yardage. Landreth did some of the best tackling on the Railroad team.

Bard, Blacketter, Roadhouse, DeShasier and Bauer of White Hall. White Hall's Best

—Bard was the chief ground gainer for the Maroons and he went 65 yards for a touchdown which was called back as he stepped out of bounds. Bauer and Blacketter were outstanding in catching passes and the former caught one for a touchdown. Roadhouse played his usual fine game in the line and DeShasier again demonstrated his outstanding line play until he was injured in the last half.

Kattelman, Zimmerman, Niebur, Colver and Ferguson for Pittsfield in downing the Louisiana, Mo. team 39-0. Kattelman scored three touchdowns and two extra points, besides passing to Zimmerman for another score.

Bailey, Waggoner and Thurston did the scoring for Jerseyville in the game at Winchester.

Stuart, O'Donnell, Wisdom and Nash did the best for the Wildcats of Coach Howard Lester.

G. Staples, Brannan, Linn, Maguire, Ridings, Folles and Boe for Carrollton—Staples did some fine kicking. The pass catching of Ridings and the outstanding running of Linn and Maguire with the hard plunging of Brannan also caused trouble. The flea flicker of the backs was another good performance, with Ridings, an end, helping execute this fine play.

Yates Names Hood, Tuchman To Start Against Waverly
Coach Art Yates of Illinois School for the Deaf had apparently settled all doubts about the best starters in several positions as the Tigers went through their Tuesday afternoon workout. He was using Alta Hood in the backfield and had Jerry Tuchman working at center.

Yates, prior to the Carrollton game last weekend, had considered Paul as a top prospect for halfback and was using Homer Nunes at the center spot.

The westenders are working hard in preparation for Friday afternoon's battle with the Waverly Scotties, an up and coming eleven which knocked off Auburn last Friday night.

Jacksonville high school Coach Bob Kraushaar was experimenting with Freshman Johnny Walker at halfback as the J. H. S. aggregation went through rehearsals Tuesday afternoon. Gene Todd, the regular quarterback, worked at his old end position in the absence of Fred Lawson, a starting flanker.

Charlie Runkel and Keith Tucker were still out with injuries received in the Quincy game.

Kraushaar worked with a small squad, as freshmen and sophomores, other than the regulars, were busy preparing for tonight's game with Winchester.

USING JAP POWS
Tokyo, Sept. 28.—(P)—Koto Matsudaira, foreign office spokesman, said today the Russians are using Japanese prisoners of war to teach mechanized warfare to Chinese Communists.

Brooklyn, Sept. 28.—(P)—Jackie Robinson belted his 12th homer of the season leading off the 13th inning Tuesday to give the Brooklyn Dodgers a 9-8 victory over the newly crowned National League champion Boston Braves.

Lefty Clyde Shoun, fourth Boston pitcher, was the victim of Robinson's blast. Warren Spahn started for Boston and was followed by Bill Voiselle, Nels Potter and Shoun.

It was a free-hitting game in which the Dodgers accumulated 13 hits, including homers by Pee Wee Reese and Eddie Miksis, as well as Robinson.

The Braves made 16, Jeff Heath and Frank McCormick hitting homers against the pitching of Joe Hatlen, Erv Palica, Hank Behrman and Preacher Roe. Carl Erskine, who turned in a hitless 13th inning for the Dodgers, won his sixth of the year.

Cubs Down Reds
Chicago, Sept. 28.—(P)—The Cincinnati Reds became co-tenants with the Chicago Cubs of the National League cellar Tuesday as they dropped a 6 to 2 decision to the Chicagoans.

Lefty Bob McCall pitched the Cubs to victory, his third of the season, as Johnny Vander Meer weakened in the late innings. The Cubs jolted the veteran Cincinnati southpaw for two runs on three hits in the sixth. They added three more in the seventh when they mixed two singles with some fuzzy defensive play by the Reds. A final tally came in the eighth when Roy Smalley hit a home run.

Phi-Giants Split
New York, Sept. 28.—(P)—Exploding for six runs in the sixth inning on Puddinhead Jones three-run homer and Gran Hamners three-run double, the Philadelphia Phillies beat the New York Giants, 6-3 in the second game of a doubleheader Tuesday. The game was called at the end of six because of darkness. The Giants won the opener, 6-5.

Lefty Monte Kennedy had the Phils blanked on four hits until the sixth. Bert Haas singled to open the inning and he also ended the frame, grounding out, short to first.

The Phils came very close to pulling the opener out of the fire by scoring all of their five runs in the ninth inning to rout rookie Sam Webb. Big blow of the Phillies rally was a two-run homer by Harry Walker.

Lary Doby's Injury Won't Keep Him Out Of Lineup
By Joe Reichler
Cleveland, Sept. 28th.—(P)—Cleveland baseball fans—and who in this pennant-delirious town is not?—were breathing easier today following the announcement that the injury to Lary Doby's right elbow was more painful than serious.

It was feared at first that Doby had suffered a possible fracture when he was hit by Hal Newhouser, who tried to pick him off second base in the fourth inning of Sunday's game in Detroit.

X-Rays showed, however, that the blow caused no more than a bruise. Everyone in this city is high on Doby.

In the short time he's been with the Indians—this is his first full season—Doby has become quite a favorite with the fans as well as with the club officials. They cheer his every move. They applaud every time he gathers in a fly ball. They raise the roof when he connects with a long one. They even cheer when he strikes out.

Principia's Speed May Give Blueboys Trouble: Brooks

"Principia isn't large, but they may have enough speed to give us trouble," Coach Joe Brooks told the Illinois college grid team Tuesday night during their scrimmage under the stars at Jacksonville high school athletic field.

Brooks, who scouted the southern college club during an intrasquad combat Tuesday afternoon, ran the second team through Principia plays while the first team worked on defense. I.C. speedsters, Art Wilson and Dick Johnson, gave the Blueboy varsity plenty of trouble.

Coach Al Miller sent the first team through some offensive work off a new formation which may be brought into play here Friday night. Barney Vilk and Bob Grove were both absent from the hilltop backfield. Dave Billings was working in the quarterback slot, while Eb Ryan held down one halfback.

Paul Lasley, who also was injured in the Scott Field game, didn't participate in the Tuesday contact work.

Crimsons-Wildcats Meet Here Tonight In Yearling Game

Coaches Hal Wamberly and Farrel Patterson of Jacksonville high school have announced the starting J. H. S. lineup for tonight's freshman-sophomore contest against Winchester. A slight admission fee will be charged for the tilt, which will get underway at the high school athletic field at 7 o'clock.

The Jacksonville starters: Wilbert Irby and Bill Williams, ends; Ruel Becker and John Rhodes, tackles; John Walker and Earl Cole, guards; Jerry Cruise, center; Norman McQueen, quarterback; Bruce Samore and Bill Sabatini, halfbacks; and Ronnie Campbell, fullback.

The contest tonight will be the first of the season for the Crimsons yearlings. It also opens the reserve schedule for Winchester.

Hannegan Signs Eddie Dyer To Two Year Redbird Pact

St. Louis, Sept. 28.—(P)—President Robert Hannegan of the St. Louis Cardinals announced tonight that he and Eddie Dyer, manager of the National League club, had "come to terms" for two more years.

Hannegan added that the agreement was oral, no contract has been signed. He wouldn't say whether the agreement called for an increase in salary.

Dyer took over the Redbirds in 1946, leading them to a pennant and world's championship. The club finished second in the National League race last season and in a three-way fight with the Brooklyn Dodgers and Pittsburgh Pirates for that spot this year.

FOOTBALL INJURIES MAY CAUSE ARTHRITIS

Washington, Sept. 28.—(P)—Football injuries, sometimes unnoticed in the heat of the game, can make a player a candidate for osteo-arthritis years after he's hung up his cleats, a Cornell doctor said today.

(Osteo-arthritis is a slow disease of a joint. It comes chiefly in elderly people and is marked by degeneration of the bone, cartilage and the membrane covering the bone. (It differs from rheumatoid arthritis which usually attacks more than one joint at a time and is marked by actual inflammation and drying up of the parts involved. In its latter stages, it can be marked by deformity and "freezing" of the joints involved.)

Boston Fans Wait All-Night For Bleacher Seats

Boston, Sept. 28.—(P)—Three thousand \$1 unreserved bleacher seats for the first two world series games were snatched up swiftly to day but some 3,500 persons went away disappointed.

After an all-night vigil outside Braves Field the lucky buyers began to pick up the precious pasteboards on a first-come, first-served basis. They disappeared at the rate of one every six seconds.

Ten ticket windows opened at 9:30 a.m. and 32 minutes later the 3,000 right field "jury box" tickets were gone.

The Braves management announced that another 2,500 standing room admissions are still available, but plans for their sale are not ready yet.

Despite the throng outside the National League pennant winners' park, policemen had little trouble. Hardy fans spent the night on cots and improvised beds to protect their chance at the seats.

BURGLARY TAKES THE CAKE
"Kansas City — (P) — Nine girlfriends of little Miss Jean Gerard gathered at her home for a birthday slumber party. Before consuming the refreshments the group attended a movie. On their return they discovered that the house had been entered by a prowler. He took out item—the birthday cake.
